

Dear Parent:

April 5, 2016

Good News Club® begins again on Tuesday, April 12 at South Seneca Elem. School. Children across the nation and around the world enjoy Good News Club once a week after school – a Bible club with a focus on learning good character traits and strong moral values. The club will meet for 90 minutes each week and includes singing, games, and fun ways to learn valuable lessons from the Bible. There is no charge to attend and the club is open to all children in grades pre-K - 5. Parents are also welcome.

This after school Good News Club is not sponsored by any school employee as a representative of the district, but by Finger Lakes Area Child Evangelism Fellowship®. Our ministry is dedicated to helping children in 195 countries around the world to know God and learn from the Bible. The club is taught by dedicated volunteers from this community.

The South Seneca Good News Club will meet each Tuesday from 3:30 – 5:00 PM, starting April 12th and will meet each week unless there is no school that day. Children may begin attending any week and they do not have to attend every week to be a part of the program. The club will only be held on days when school is in full session. The Good News Club will end on May 31st.

To enroll your child(ren) (Grades Pre-K -5), please complete the bottom part of this form, return to the school office, and be sure to keep the upper portion for your reference. Remember that each child must be enrolled before he/she can attend the club and no child may attend until the permission form is received.

Please Remember: If your child cannot attend club on a particular Tuesday, please send a note to the school office. We must be certain that someone is expecting your child to come home on the bus. Also, please remember that late bussing for this activity is not provided – children must be picked up by 5:00.

Please Note: Occasional pictures will be taken for local CEF newsletters and publications.
