

Dear Parent:

November 16, 2015

Good News Club® starts again on Monday, November 23, 2015 at Freewill Elementary School. Children across the nation and around the world enjoy Good News Club once a week right after school – a Bible club with a focus on learning good character traits and strong moral values. Our Good News Club will meet for 75 minutes and includes singing, games, and fun ways to learn valuable lessons from the Bible. There is no charge to attend and the club is open to all children. Parents are also welcome to attend.

This after school Good News Club is not sponsored by any school employee as a representative of the district, but by Finger Lakes Area Child Evangelism Fellowship®. Our ministry is dedicated to helping children in 190 countries around the world to know God and learn from the Bible. The club is taught by dedicated volunteers from this community who attend New Life Bible Church in Walworth.

The Freewill Elem. Good News Club meets each Monday in the library from 3:10–4:30 PM, beginning Monday, November 23 and we plan to meet each week unless there is no school. Your child may begin attending at any time and they do not have to attend every week to be a part of the program. Good News Club will only be held on days when school is in full session.

To enroll your child(ren) (Grades Pre-K-5), please complete the bottom part of this form, return to the school office, and be sure to keep the upper portion for your reference. Remember that each child must be enrolled before he/she can attend the club and no child may attend until the permission form is received.

The club is led by local people who have been trained, screened, and cleared to work with children. If you need more information you may call the CEF local director Jeff Michaels at 585-645-5013. Please remember that bussing for this activity is not provided – children must be picked up by 4:30.

Please Note: Visitors may attend the club, but must sit quietly in the back. No photos or videos are allowed except by approved, trained, and properly screened CEF staff members and volunteers.
